

# AVerTouch OCR

## Simply Scan, Convert, and Share

**AVerTouch** offers an advanced OCR (Optical Character Recognition) feature that unlocks the power to convert graphical text into digital files. With a simple license purchase, teachers can use an AVer Visualizer (Document Camera) to capture paper-based teaching materials on the fly. Transform images into a rich digital knowledge base.

**START YOUR 30-DAY FREE TRIAL NOW!**

Download AVerTouch to use the OCR function.

**AVer**

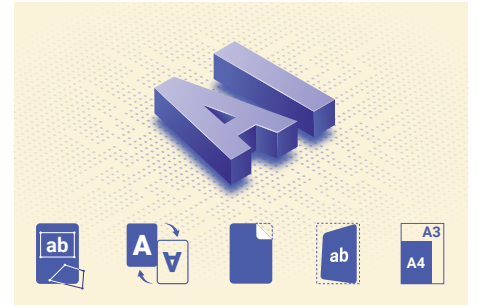

### AVer Visualizer + OCR in One Easy Scan

Capture images with AVer Visualizers to recognize text content on paper by using OCR. Upgrade your teaching materials in a snap!

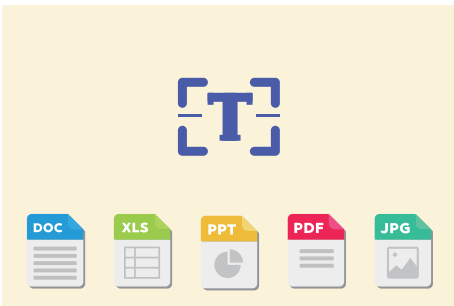

### AVerTouch + OCR: Capture, Convert, Storage

Activate OCR in AVerTouch with a purchased license key. Start converting teaching materials into digital files, store them rapidly.

### AVer AI + OCR: Smart Teaching & Learning

OCR has advanced AI image processing technology for auto/manual cropping, auto page orientation, keystone correction, edge fill, and A3/A4 page sizing. Achieve twice the result with half the effort and make learning more effective.

### Every Format for Every Need

Export your paper materials in multiple file formats automatically, making them instantly usable. Select single or batch exports to save precious teaching time and streamline lesson prep.

### Scanning Mat: Your Perfect Mate

Place documents on the scanning mat and get clear scans every time. Alignment guides ensure perfect placement, while the cushioned surface protects documents, and the roll-up material makes for easy storage on the go.

### AVerTouch + Google Classroom: Amplify Your Teaching Power!

Stream live video from an AVer Visualizer to AVerTouch and connect to Google Drive to automatically back up and sync digital files. Perfect for sharing and collaborating with students and other teachers.

Save big with our discount bundles. Visit web pages for product details.

1 OCR License Key  
1 Scanning Mat

Standard Package **B**

1 AVerVision M11-8MV  
1 OCR License Key  
1 Scanning Mat

Standard Package **C**

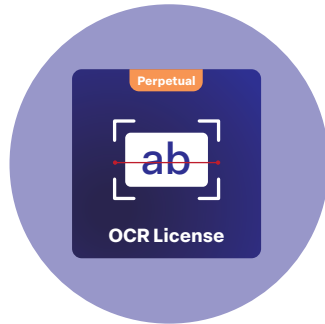

1 AVerVision F17+  
1 OCR License Key  
1 Scanning Mat

Standard Package **D**

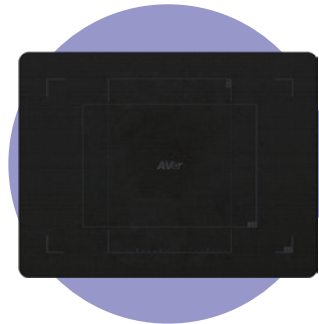

1 AVerVision A30  
1 OCR License Key  
1 Scanning Mat

Single Item **A**

OCR License Key

Single Item **B**

Scanning Mat

**System Requirements**

**For Windows® PC/laptop**

- Intel® Core™ i3 or higher
- 4 GB of RAM or higher
- 32/64-bit processor
- 2 GB free disk space for installation
- Display resolution: 1366 x 768 or higher
- Connection interface: USB 1.1 or higher for AVerVision Visualizers

**Note**

- OCR is only supported on Windows® OS.
- For optimal OCR results, ensure good lighting, a clean lens free of debris, and a simple background color for accurate text recognition.
- OCR only supports AVer's USB Visualizers.
- Please keep your license key secure, as it cannot be replaced if lost.
